REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION OF CERTIFIED PUBLIC ACCOUNTANT

To the Board of Directors of Preecha Group Public Company Limited

I have reviewed the consolidated statement of financial position of Preecha Group Public Company Limited and its subsidiaries as

at 30 September 2018, and the related consolidated statements of comprehensive income for the three-month and nine-month

periods then ended, changes in shareholders' equity and cash flows for the nine-month period then ended, and the condensed

notes to the financial statements and I have also reviewed the separate statement of financial position of Preecha Group Public

Company Limited as at 30 September 2018, and the related separate statements of comprehensive income for the three-month and

nine-month periods then ended, changes in shareholders' equity and cash flows for the nine-month period then ended, and the

condensed notes to the financial statements. The management is responsible for the preparation and presentation of this interim

financial information in accordance with Thai Accounting Standard No. 34, "Interim Financial Reporting". My responsibility is to

express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial

Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making

inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review

procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and

consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified

in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial

information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34, "Interim Financial

Reporting".
